Summary

Question

Individual

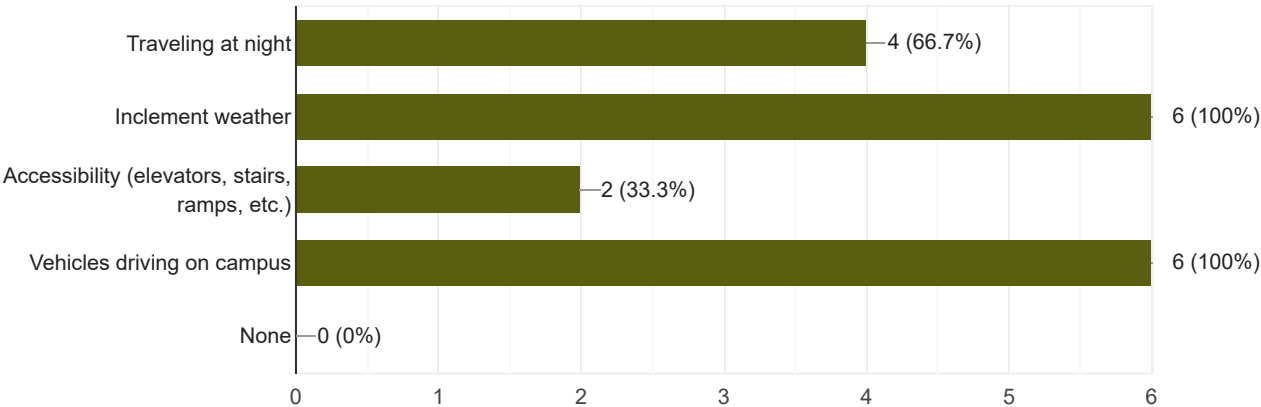

How safe overall do you feel traveling on campus?

6 responses

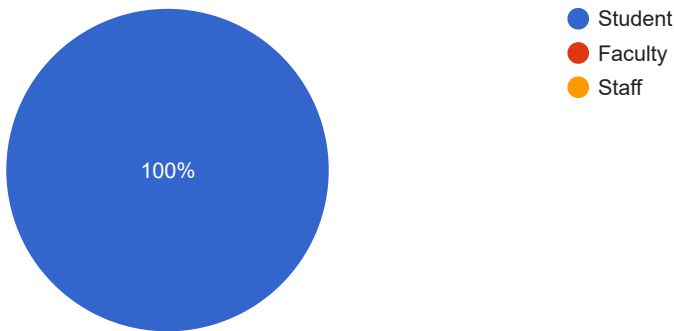

Which areas (if any) do you feel provide challenges to safe travel on campus?

6 responses

What is your role at McMaster?

6 responses

Do you have personal accessibility concerns which impair your ability to travel? (wheelchair, cane, vision, etc.)

6 responses

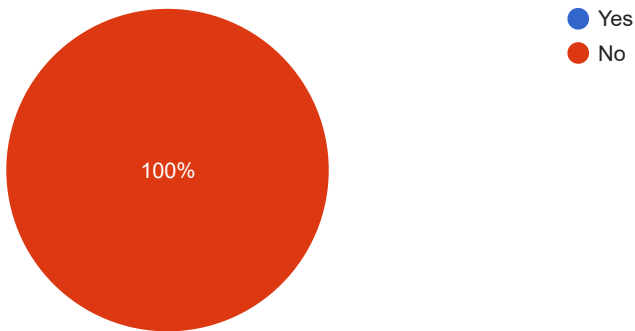

Any other concerns or thoughts? If so, why?

3 responses

- Animal threats (geese) blocking roads or pathways could be an area of concern.
- Slippery sidewalks (especially at night)
- Intersection on main right in front of campus is confusing for those unfamiliar with the area

Would you be open to a short interview about your feelings on safe travel on campus?

6 responses

Name and Contact Information (Please include if open to an interview)
